General Warranty

This warranty is nontransferable and begins on the date listed on the final paid invoice. This warranty includes:

5 (five) year warranty on steel roofing and siding against water leakage and defect installation. This warranty does not cover damage due to natural causes such as hail, tornados, falling limbs, etc. This warranty does not include defects due to manufacturing. Should a defect in manufacturing arise please contact Boss Sheds at 816-918-2860 for the manufacturer warranty information.

5 (five) year warranty on trusses and lumber against structural failure and rot. Structural failure and rot is defined in this warranty as the inability of a given material to perform its primary function due to rot and fungal decay but not surface mold, mildew or weathering as weathering is not rot. Treated lumber is also warranted against termite damage for 5 (five) years.

5 (five) year warranty on windows against water leakage and defect installation. This warranty does not cover damage due to natural causes such as hail, tornados, falling limbs, etc. This warranty does not include defects due to manufacturing. This warranty does not apply to owner supplied windows regardless of who installs them. Should a defect in manufacturing arise please contact Boss Sheds at 816-918-2860 for the manufacturer warranty information.

5 (five) year warranty on walk doors against water leakage and defect installation. This warranty does not cover damage due to natural causes such as hail, tornados, falling limbs, etc. This warranty does not include defects due to manufacturing. This warranty does not apply to owner supplied walk doors regardless of who installs them. Should a defect in manufacturing arise please contact Boss Sheds at 816-918-2860 for the manufacturer warranty information.

Boss Sheds guarantees its seamless gutters against defective workmanship and installation for 2 (two) years. This warranty does not cover damage due to natural causes such as hail, tornados, falling limbs, etc.

Boss Sheds guarantees its concrete workmanship and material for 2 (two) years. Any cracks that exceed ¼" vertically or horizontally of a saw cut expansion joint will be considered faulty concrete and will result in an evaluation and repair if necessary. This warranty, due to road treatments such as salt or deicing chemicals, does not cover surface pocking or flaking.

Boss Sheds guarantees its overhead doors against defect installation for 1 (one) year. This warranty does not cover damage due to natural causes such as hail, tornados, falling limbs, etc. This warranty does not include defects due to manufacturing. Should a defect in manufacturing arise please contact Boss Sheds at 816-918-2860 for the manufacturer warranty information.
